From the General Manager

Hello Greensburg Country Club Family,

Hope everyone is doing well and getting ready for the fast approaching golf season. March continued to be a productive month.

Thanks to everyone for the excellent support for our second Golf Bash, this helps to support our golf program. We are looking into getting a Golf App that can help to enhance the membership communications as well as a new front loader golf ball picker for the driving range with the funds raised! We also had a great turnout for our Superintendent's Revenge and Grand Re-Opening of the Grille Room Celebration. We had sunny weather and some fun designed golf holes followed with delicious food by Chef Dan Keeley and his Culinary Team with the addition of a Bourbon Tasting! The Tournament Club also did early registration for membership and a gift basket prize!

On Wednesday, Thursday April 19th we will be hosting a European Wine Dinner. These dinners always showcase meticulous food preparation and service along with some wonderful wines. The dinner seating will be held in the Fireside Room, call now as seating is limited and filling up.

We also have begun our Sand Bunker Project this past week. They are currently working on holes #1 through #4, please stop in at the Pro Shop for further updates and procedures. Thanks for you patience with this as we continue to make long term investments and improvements to Greensburg Country Club.

I look forward to seeing everyone here at the Club, 2023 is going to be a great year here at Greensburg Country Club!

March Recap

WINE AND SPIRIT TASTING

The Wine and Spirit tasting in the Grille Room was a success! Thank you to everyone that came out. If you enjoyed this tasting, you will certainly enjoy the Wine Dinner mentioned prior.

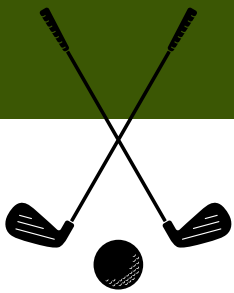

2023 GOLF BASH

The Golf Bash was a hit! We hope that everyone enjoys their prizes.

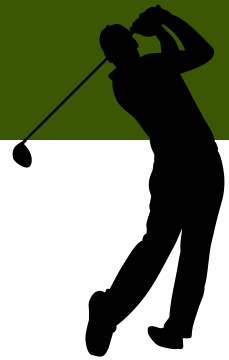

The proceeds will be going towards an app from Gallus Golf that will significantly help in booking tee times, guarantee better communication, and overall improve the golf experience. It will also get us a brand new range picker! Keep your eye out for these awesome improvements.

Heather and Gloria greeting the Golf Bash participants
