# From the General Manager

Hello Greensburg Country Club Family,

Welcome to the 2023 Season, hope everyone's New Year is off to a great start. Thanks again to everyone for the exceptional Membership support last year! We are looking forward to continuing to make the Member experience even better here at Greensburg Country Club this year. Unfortunately, on Christmas morning we had a sprinkler head burst in the Ladies Locker Room and shortly after another pipe burst in the Ladies Locker Room, flooding the Ladies Locker Room, Grill Room and downstairs hallway. Due to this we will need to be keeping the Grill Room closed until further notice as it is currently under construction. We are working with our insurance company and contractors to get this work completed as soon as possible and will continue to keep you updated on the status. The good news is we will be installing new carpeting in the Ladies Locker Room, Grill Room and downstairs hallway, along with the stairs going up towards the Pro Shop.

Speaking of new carpeting, we also put carpet in our Front Desk area and offices. We also painted the Men's Locker Room and will be painting the Ladies Locker Room.

It was great to get things started with the Antique Show and Sale at the end of January here, thanks to all who came to join us!

We hope to see everyone here at the Club and look forward to welcoming everyone back! 2023 is going to be an awesome year here at Greensburg Country Club!
