Dear GCC Members

I hope the Holidays were a special time for all and everyone had fun sharing time with loved ones. The Greensburg Country club had a very successful month with members dining, a couple rounds of golf were played, business lunches, and a lot of Christmas parties were held. Toys for Tots donations was a success for it being the first time (Thank you for all who donated!). The Club was a success and will continue in 2020. Thanks Debbie for you and your staff making all the parties a huge part of Greensburg CC culture.

There's going to be a lot on the plate this year. As you know the Club is closed the first 3 weeks in January and will open the last week for the Annual Antique Show. Please plan on attending; I hear it's a huge success.

Even though you may not be able to get out and golf, but we thank Ken Cole and his idea of installing a putting apparatus in the Grille Room. We may be able to practice our putting in the winter time! Also, "IF" the weather permits, we still may be able to get out there and play some golf-just need to call Chuck to confirm. A lot of golf for both the women and men has been planned this year. Keep an eye out for the schedule to be announced. Thanks Chuck!

Membership is and also will be my priority in making your club a success. We always welcome new members and with your Membership Director Kristie Killen behind the drive; let her know if you have a referral. If they join, you will get your name on her thermometer – it will be worth it(hint, hint, we may be having a contest...)! Your referrals are very important to our club! Value, Participation, Volume and "DUES" is what helps the financial stability of any club. Let the Greensburg CC be the talk of the community. We need your help in these numbers.

Our new Manager of Dining Operations Sheila, is going to be working with her staff and the kitchen to ensure quality of product and service are top notch. Focus on the Cabana and Pool will be a high priority. I want to thank Olivia Kramer who for the last 6 months filled dual roles of maintaining the office administrations while filling in as the F&B Manager until Sheila got on board. Olivia will be at the front desk to answer any questions anyone has and back to the Office Manager position. Thanks Olivia!

Chef Mike and his team will continue building the menu to give the best food quality and consistency. Hopefully everyone has seen the vast improvement of the overall food quality through the events they have been attending. The Wine Dinner date is Feb. 29, 2020. Only a maximum of 40 RSVP's will be taken. Thanks Mike!

Overall I want to thank my staff for working almost every day in December. As the TEAM, we achieved a lot in 2019- Let's continue in 2020 and with the MEMBERS SUPPORT (PARTICIPATION).

Jay
