Greensburg Country Club

Where Families Come To Play

Hello Greensburg Country Club Family,

Hope everyone is doing well as we start to approach the Spring season. As I write this, the Grille Room carpeting is being installed with the Ladies Locker Room carpeting soon to follow. LVT (Luxury Vinyl Tile) flooring has been installed in the downstairs hallway and the steps leading to the Pro Shop. Grille Room and Ladies Locker Room are very close to the painting also being completed. We will be keeping you updated when we will be re-opening the Ladies Locker Room. It should be sometime during the 2nd week in March.

If you haven't been to the club, please get here! Chef Dan Keeley has really helped raise the quality and consistency in the food , we hope to continue to build on this trend! The soups are always delicious and interesting since he has arrived.

Hope to see everyone here at the Club!
Bradley Ladik
