Letter from the General Manager

Hello Greensburg Country Club Members and Supporters,

It's great to be kicking off the Golf Season here at Greensburg Country Club! Thanks to all who participated in our Opening Day Event this past Saturday! We also did a pre-Golf Season Event with our 2nd Annual Par 3 Tournament on April 9th. It was cold again this year but we had dedicated players and it was an enjoyable time. This has become a traditional event already! May is a great busy month at Greensburg here is a quick rundown of some of the highlights of the upcoming month!

May 5th is our Cinco de Mayo Event, Ritas & Fajitas, as we will have various margaritas and a delicious Fajita & Taco Bar.

Join us for Mother's Day Buffet on Sunday, May 8th, with both a morning and afternoon seating. Please make reservations now as seating is filling up.

Tuesday, May 17 come check out the soothing harmonies of "The Bricks" for our first Happy Hour of the year.

The last Sunday Buffet till after Labor Day will be on May 22nd.

Friday, May 27th, will be our First Nine and Dine golf event.

On Saturday, May 28th, the Pool Opens up for the summer followed by our Annual Memorial Day Picnic on Monday, May 30th.

We continue to make long term improvements to the Club with work re-paving the cart path and putting new carpeting at the front entrance of the Club. I appreciate everyone's support of the Club and hope to see everyone here!

Thanks,

Brad

From the Membership Corner

We love having members to help us help the club attract new members. We are currently looking for a few other member volunteers to facilitate new members. Please contact me to be added to our New Member Committee, or any of our other committees. As always, your referrals are gold, please keep sending them my way! You still get a \$250 Food and Beverage credit upon their join. Please contact Kristie Killen, Director of Membership & Sales for details or questions related to Membership, 724-837-1810 x 120 or email: kkillen@greensburgcc.com.

2022 Food and Beverage Minimums/Payment Due Dates and Payment Options

Just as a reminder, all Golf, Founders and Pool Members have a quarterly Food and Beverage minimum requirement associated with the membership. The requirement is \$150 per quarter. The first quarter consists of March, April and May. The second quarter is June, July, August. The third quarter is September, October and November. The fourth quarter is December, January and February. All food and beverage purchases go towards the minimum requirement including to-go orders and bottles of wine. All members can access their current minimum requirement through our online statement portal.

Please note that monthly statements are mailed or emailed on the first of the month for the previous month's activity. If you wish to pay by check, please ensure the check is received in the office by the 16th of the month. If payment is not received by the 16th, the credit card on file will be charged.

Another payment option that is available to our members is ACH payment. With ACH payment, you would not have to worry about the payment being charged to the credit card on file and you would not have to send in a check either. The Club would deduct the payment directly from your bank account on the 16th of each month for the balance on the statement. To setup the ACH payment option on your member account, please contact Dave Hunnell in our office at (724)837-1810 x113.

When charging members for monthly food and beverage charges, we have seen an increase in the number of denied credit cards. Reminder that if you need to replace your credit card or get a new one because of an expired date, please call the club at 724 837-1810 x113 and give Dave your updated credit card information.

Hello! My name is Gabriella Gennaro, I'm the new Pool Manager here at the Greensburg Country Club. I graduated from WCCC with a Dental Hygiene degree, and I worked in the field for 3 years. Shortly after the pandemic started, I lost my job and was given an opportunity as a restaurant manager at the Wendy's I worked at since starting college. I worked for Wendy's for a total of 9 years and 4 of those years as a manager. I was so grateful to be given that kind of opportunity by my GM. Even though I didn't have a business background he still thought it would work out for me. So I've come to realize that even though it wasn't my plan to become a restaurant manager, I'm glad I did. Without that opportunity I would not be where I am today! I am excited to become a part of the Greensburg Country Club Team!
