

From the General Manager

Hello Greensburg Country Club Family,

Hope everyone is doing great as it is hard to believe October has arrived and we have entered the Fall season. We have numerous events for the month of October including the Columbus Day Golf Event, Shake the Night Away Mixology with Hanson Vodka, Octoberfest Event, Italian Night Buffet and a Halloween Brunch along with a Bonfire Event! We have been doing Happy Hour every Friday from 4pm to 7pm, and plan on continuing this on a weekly basis. This is in addition to the Sunday Brunches & Steeler Sundays that we also do. We also have the NFL Network in the Grille Room so you can be watching your favorite team or all the games.

We continue to make improvements to the Clubhouse. As we have installed new doors and frames for the doors going to the Pro Shop from the Clubhouse, the doors going into the Kitchen from the Back Dock, and the door going from the Valet into the Men's Locker Room. This in addition to patchwork, caulking, and painting we have been doing on the exterior of the Clubhouse. We are definitely taking the appearance of the Clubhouse to a higher level! Here are some of our other recent bigger Club improvements done since the beginning of this year.

- · All bunkers on the golf course filled with new sand and Capillary Concrete Drainage System along with Practice Bunker.
- · XGD Drainage on the Greens of Holes #3, #5 and #7.
- Drainage on Fairway Holes #2, #6 and #11.
- · Tree removal on Hole #17 Tee and tree removal to the left of #9 Green and natural turf maintenance to these areas, continued stump removal.
- · New Pool Filtration System and new Pool Heaters.
- · Renovated Grille Room, new carpeting, painted, along with repairs made to bar stools and tables.
- Renovated Ladies Locker Room, new carpeting, painted, new fabric on benches.
- · New chairs and bar stools in Dining Room Lounge.
- · Renovated the walkway up steps to Pro Shop and downstairs Hallway.
- · Upgraded Pickleball Area with 2 Courts and new fence.
- New carpeting at Front Entrance Porch of Clubhouse and Front Desk Area and Offices.
- · Painted Men's Locker Room.
- New net at back of driving range to reduce amount of lost golf balls on range.
- · Painted both sides and interior of Tunnel going under Route 130 along with both sides of Tunnel going under Greengate Road. We also will be beginning work on #1 Tee Wall as we are tentatively scheduled to begin Monday, October 30th. Further details will be
- communicated as we progress with planning of this project and during this time we will have a temporary tee area that we will be using.

It has been an exceptional year of long-term investments and progress being put into Greensburg Country Club.

Thanks to all the Members for the support and to the Owners for investing so much into the Club!

Hope to see you all here at the Club!

Thanks,

Bradley Ladik

General Manager, Greensburg Country Club
